

Bonus Programme Terms and Conditions

1. General Provisions and Definitions.

- 1.1. The Programme is subject to, without prejudice, all other corporate Business Terms and Policies.
- 1.2. These Rules govern the organisation and conduct of the Programme set out above; the Promo is an incentivising event and is aimed at increasing the loyalty and activity of existing customers, as well as increasing interest in the services provided by the Organiser.
- 1.3. Products/services for the purposes of which the Promo is held: services for enabling transactions with non-deliverable over-the-counter financial instruments using the Organiser's software.
- 1.4. *Name of the Programme Organiser: IFCMARKETS. CORP. (hereinafter referred to as the Organiser). Registered Address: Quijano Chambers, P.O. Box 3159, Road Town, Tortola, British Virgin Islands. Official website: www.ifcmarkets.com*
- 1.5. A Participant of the Promo can be any individual who has expressed a desire to participate, registered as a verified client of IFCMARKETS. CORP., who has fulfilled all the conditions of participation in the Promo. Persons in employment relations with the Organiser, their families, as well as any other legal entities involved in organising and/or conducting this Programme and their family members are not eligible to participate in the Promo.

2. Bonus and its Usage

- 2.1. **Bonus** - an additional amount of funds added to the Client's trading account by the Company according to the terms and conditions specified herein. The Bonus is added in the form of a credit operation for MetaTrader 4 and MetaTrader 5 trading platforms (NetTradeX accounts are not participating in this bonus program) and does not affect the balance of the trading account, but affects the equity and can be used as margin for opening new positions.
- 2.2. **Bonus** cancellation - the process of deducting the bonus funds from the Client's trading account. The Company has no

responsibility for any financial and other consequences of this process (short-margin on the Client's trading account, Client's trading strategy intervention or other)

- 2.3. Participants of the "100% Bonus" programme will receive a 100% bonus on their first deposit after joining the programme.
- 2.4. Each participant can receive only one bonus in the "100% Bonus" bonus programme after joining it.
- 2.5. The bonus cannot be withdrawn and cannot be internally transferred between live trading accounts, even wherethey belong to the same user.
- 2.6. The Client acknowledges and accepts that the bonus amount added to the account is considered as owned by the Company, which means that the Company has the right to cancel such bonus without prior notification.
- 2.7. In case the Company identifies any evidence of bonus abuse, then in addition to the bonus cancellation the Company has the right to deduct the profit amount received after the bonus is added to the account in the amount of bonus added. Under no circumstances the Company has an obligation to share such evidence or provide prior notification to the Client.

Example: The Client funded the trading account with 1,000 USD and received a 100% bonus. After some trading activity the Client received profit from the trading activity in the amount of 5,000 USD. Total equity of the account is 7,000, i.e. 1,000 (initial deposit) + 1,000 (bonus) + 5,000 (profit). In case the Company identifies a bonus abuse, it has the right to cancel the bonus (1,000) + part of the profit equal to the bonus added (1,000).

- 2.8. As a general rule, any withdrawal request made on the account (including transfer of funds to another trading account of the Client) leads to bonus cancellation. If the Client desires to avoid bonus cancellation he/she must contact the Company's customer support department beforehand and negotiate the terms of withdrawal without bonus cancellation. Under no circumstances the Company has an obligation to agree with the Client's request made through such negotiations.

- 2.9. The bonus is deducted when the equity of an account falls below $1.2 \times$ bonus amount.

Example: A Client has \$1,000 of his own funds (Balance) and \$1,000 (displayed in the Credit Line) of bonus funds in his trading account. The account equity is \$2,000. The Client opens position(s) with a floating loss of \$800, the equity falls below \$1,200 which is equal to $1.2 \times$ \$1,000 (bonus amount), the bonus will be deducted and the equity will reach \$200 after the bonus is written off.

The Company has the right to make changes and additions to the Bonus Terms and Conditions unilaterally and at any time, without prior notification of its Participants.
